Kessler Foundation

Virtual Reality Walking and Balance Training for Older Adults

WHO?

If you...

- Are between the ages of 65 and 85 years...
 - Have mild cognitive impairment...
 - Are able to stand for about 5 minutes...
- ...then you may be eligible for our study!

WHAT?

This study assesses the effectiveness of combining thinking tasks with walking training to improve walking and balancing ability in older adults with mild cognitive impairment.

WHERE?

Kessler Foundation in West Orange, NJ

WHEN?

Up to 19 visits

WHY?

You will provide valuable information to researchers, doctors and therapists who treat older adults who have walking and balance deficiencies. You will also be compensated up to \$150 for your participation.
